2. Typical Features

POWERPLUS MOTORCYCLE 4T 20W50 is a premium quality motorcycle oil prepared from well-refined mineral base oils. It is safely used in four-stroke and high-performance, air- or water-cooled motorcycles in all four seasons.

Properties

- Thanks to its high and stable viscosity index, it prevents oil film tearing by keeping the viscosity of the oil under control even under severe conditions.
- Oil life is long thanks to its high resistance to abrasion, rust and corrosion.
- Provides low fuel consumption.
- Provides maximum sustainable engine performance with its special formulation that releases power.
